Week of: December 4th-8th, 2023

A note from the from the office:

Dear Parents and Guardians,
We are delighted to announce a special evening event, the "Comets Show the Light," scheduled for December 14th from 5:00 to 6:30 pm. This unique experience is a walk-through adventure featuring dazzling light displays created by our talented students. Join us for an enchanting evening filled with creativity as our students showcase their artistic brilliance. We look forward to sharing this magical experience with you!
