### NOVEMBER 2019

Does your child use DREAMBOX??? Research shows that fluency in math improves with weekly use of this program. Our EQAO scores also reflect a positive co-relation between use of Dreambox and positive math scores. Please have them do this as part of their homework routine. Dreambox is available for students in grades 1-6.

Our Intermediate Volleyball teams showed great improvement as the season went on and more importantly learned what TEAMWORK is all about.

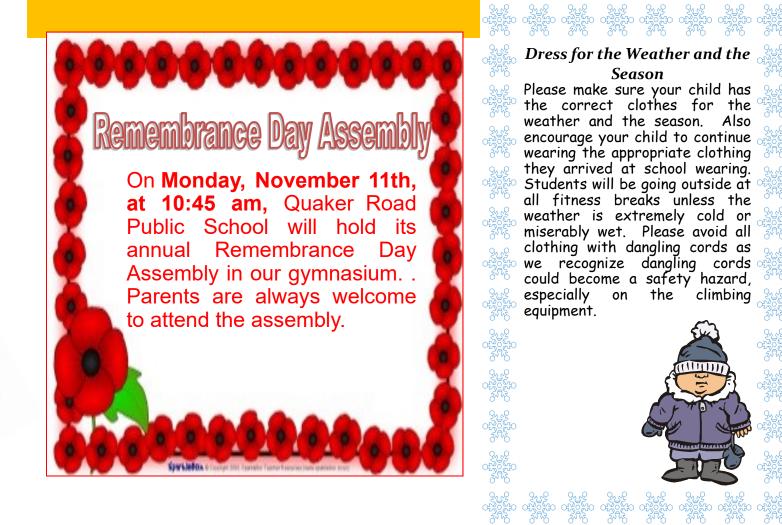

CASH ON LINE—if you need assistance registering or using this, please call the office. We'll be happy to help.

Looking into November, we have a few events coming up. Please check the calendar and upcoming events. Our Remembrance Day Ceremony will take place on Monday, November 11th beginning at 10:45 am . The public are welcome to attend. We are excited to have our CAFÉ leadership team begin to install inspirational messages on our common space walls. We are continuing to focus on perseverance to task, thinking skills to address a problem and building a positive community as part of our School Improvement Plan.

School Council elected Ms. Saganski as our Chair again this year. Thank you for taking on this important role. We are in the process of creating a survey to share with families about their thoughts and suggestions for a Naturalized play ground area in our back yard. Please take a moment to complete it when you receive the link. Please let the office know if you are NOT receiving weekly email messages with school updates. They are usually posted either Sunday afternoon or Monday some time. We are also adding a special lunch day—SUB day on November 22nd. Look for the notice from Cash On Line.

Our INTERMEDIATE division is really working hard to raise funds to cover the cost of their trip to Montreal. Special days are being planned and they are getting ready to sell Poinsettias too, so look for an order form coming home soon.

Thank you, Mrs. Niznik, Principal
