

Pizza Days are Back at Quaker Road!

Tuesday, September 20, 2011

Dear Parents and Guardians,

Once again, with thanks to our fundraising volunteers, Quaker Road will be able to offer pizza for lunch every WEDNESDAY. Our volunteers have worked hard to ensure that the pizza meets all Ministry of Education mandates regarding Healthy Food and Beverages and adheres to the policies followed by DSBN.

Our pizza will be coming from Rose City Pizza and will be offered as either cheese or veggie with a delicious whole wheat crust. Cheese pizza is plain cheese pizza and veggie pizza comes with red peppers and mushrooms. *There are no substitutions allowed.*

Pizza will be ordered on a two month schedule and requires pre-payment. Similar to milk orders, if your child is absent on a pizza day, they forfeit their pizza that day and there are no refunds. Please complete the order form below and return to the school no later than October 6th. Each slice is sold for \$1.00

Thank you for supporting Quaker Road School.

Mrs. K. Kosh, Vice-Principal
